

WiFi Access

- Turn on the Chromebook
- District Chromebooks will automatically connect to the “NMCUSD Secure” WiFi.
- Only NMCUSD accounts will be able to connect to the WiFi

Troubleshooting:

- Click the WiFi icon at the  bottom right and look for the “NMCUSD Se...” name underneath the WiFi icon on the new screen.
 - If you are not connected please click on the dropdown and select “NMCUSD Secure”.
 - If you do not see “NMCUSD Secure” as an option for selection then you are too far away from the WiFi.
- If you have any issues connecting please call 633-3343 extension 1503.
