Bus Pass Form-Required to Ride the Bus

Dear Parent/Guardian:

All students who will ride the bus at any given time throughout the school year will be required to have a bus pass. The bus pass is free of charge and the bus stop information will be indicated on the student's school photo identification card. Students will need to have their school photo identification card to ride the bus.

Because the school is responsible for making sure students get to and from school "Home-to-School," no student will be allowed to ride the bus and get off at different bus stops or change bus routes without prior written consent from their parent/guardian.

If your student(s) discontinue the use of the bus or you move and need to change your student(s) regular bus stops, you must contact the transportation department and complete an updated bus pass form.
